## RABBIT ADVOCATE NETWORK EVENT

This is a group to stop Whole Foods from selling Rabbit in their meat Dept.

On **December 15th** - there is a **NATIONWIDE event** to **MAIL** all your grocery receipts that you "did not" - but could have - spent at Whole Foods **and a picture of your pet bunny**.

Please ask them not to carry rabbit meat in their grocery store.

Rabbits are pets not food.

Tell them you are no longer shopping there.

Please mail receipts **ON December 15th** to the attention:

**Whole Foods World Headquarters**

**Attn: Walter Robb**

**5980 Horton St. Suite 200**

**Emeryville, CA 94608**

New Zealand rabbits are the meat bunnies.

They have white fur with pink skin, not unlike Kris Kringle in the movie "Miracle on 34th Street."

Kris Kringle was on trial for impersonating Santa Claus. The Post Office sent all of Santa's mail to the courthouse.

Kris Kringle won the court case because of this and was "saved" from going to jail.

Let's all do this on Dec. 15th as a combined effort to  
**Save the Whole Foods Bunnies!**

Please pass this information on to someone who also cares!  
**THANK YOU SO MUCH!!!**
