

TELL WHOLE FOODS MARKET TO END THE SALE OF BUNNY MEAT

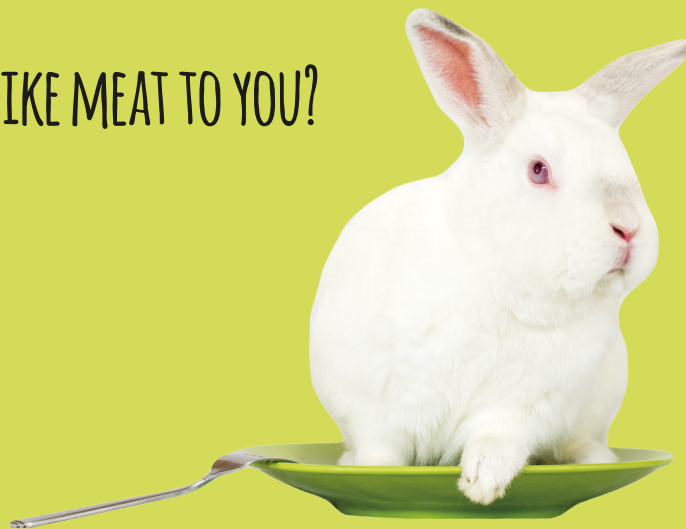

BUNNIES ARE AMERICA'S THIRD MOST BELOVED COMPANION MAMMAL, AND LIVE INDOORS LIKE CATS AND DOGS, USE THE LITTER BOX, BEG FOR TREATS, AND LOVE AFFECTION AND SNUGGLES.

THE HUMANE METHODS OF SLAUGHTER ACT DOES NOT COVER BUNNIES. EVEN WITH STUNNING, MANY BUNNIES DIE SCREAMING AND THRASHING. WHOLE FOODS MARKET CALLS THIS "HUMANE."

WHOLE FOODS MARKET CATERS TO CUSTOMERS WHO LOVE ANIMALS AND WHO SHOP THERE BECAUSE THEY DON'T SELL PRODUCTS TESTED ON ANIMALS (MOSTLY BUNNIES). YET THEY ARE NOW OPENING THE DOOR TO SELLING BUNNIES AS MEAT.

THE BUNNIES KILLED FOR WHOLE FOODS MARKET ARE THE VERY SAME BUNNIES WHO LIVE IN OUR HOMES.

DO I LOOK LIKE MEAT TO YOU?
